

Hello Friends!

Thank you for supporting Atlantic Tiltload's **Night of 3 Wishes** in support of **Make-A-Wish Atlantic Provinces**. Since 2010, this event has directly granted 17 inspirational wishes and assisted many more for children in Atlantic Canada battling life-threatening medical conditions.

During our upcoming **Night of 3 Wishes, Saturday, April 8, 2017, at The Westin Nova Scotian**, you will be introduced to wish children and hear their stories of strength, perseverance and hope. They will serve to represent the many others that are currently on the wishes waiting list.

What can a wish do? A wish can help heal families and give children undergoing medical treatments something positive to focus on. Studies have shown children whose wishes were granted had higher levels of hope regarding their future, increased positive emotions and a decrease in the perception of physical limitations.

Our goal is to raise money, grant wishes and have fun. This year's theme is western, so put on your Stetson and cowboy boots, and in the words of John Wayne, "Slap some bacon on a biscuit and let's go!"

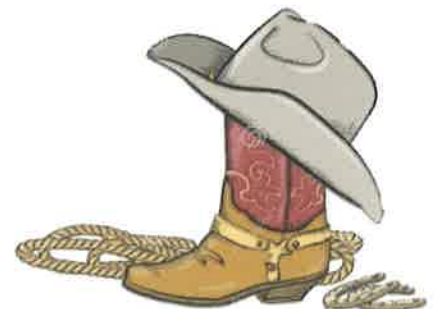

Come and bid on exciting live and silent auction items. Tickets are \$100. ***New this year*** our event will be held at the **Westin Nova Scotian**. To get your special cowpoke room rate, please reference Atlantic Tiltload.

These wishes can only be granted with the help of loyal sponsors. Sponsorship opportunities are now available for our **2017 Night of 3 Wishes!** Please contact us to sign your organization up in support of Make-A-Wish.
